Are you ready to try *Rule Breaking Quilts*? With just a few simple unconventional techniques, you will be well on your way to mastering non-traditional quilting. Building on the techniques, you will learn how to put together the pieces into a finished design, all without a pattern, templates, or even pins! You will enjoy frustration-free piecing, including easy, curvy sewing. The fun is in the process, where there are no mistakes, just alternate design decisions. No need for precision piecing—if a piece doesn't fit, you just trim it smaller or add a hunk of fabric to make it bigger! Fun, relaxed, and easy as can be, and every quilt is unique. **Student Skill Level:** Beginner/Intermediate

When: Saturday, January 21, 2017

9:30 am – 4:30 pm. (Room opens at 8:30 am for set up.)

We will once again have a salad bar lunch. If you would like to participate, just let me know what you would like to bring.

Where: Mt Clemens Public Library, 150 Cass Ave, Mt Clemens, MI 48043

Cost: \$35 for members and \$40 for non-members

Supply List:

Basic sewing supplies, thread in a neutral color, rotary cutter, ruler and mat, sewing machine.

Fabric required:

Minimum of 6 fat quarters that play well together. Usually that means a focus fabric, a light, a dark and 3 mediums, but you can pick anything that you like! Tone-on-tone fabrics are always good supporters of that focus fabric. You are free to bring any additional fabric or scraps that you desire!

An extra 1/2 yard or yard of a couple of those fabrics to use for borders, filling in spaces, binding.

Batting, about 45” square—which you will use for your design wall as you work. Final size of batting needed will be determined by the final shape of your design.

Backing will be determined by the final shape and size of your design.

Optional items: Square ruler, sense of adventure

Return bottom part of this form with your payment to Amira Soheim, 96 Lewiston Rd, Grosse Pointe Farms, MI 48236.
