

STEP 6 HOMEsweetHOME

A Judy Hopkins Mystery

Join the little houses and the A, B, C, D and E pieces you cut from the background fabric to make a runner or narrow wall quilt as shown. Add the E pieces last.

You'll need 1-5/8 yards of fabric for backing.

Bind with straight-grain or bias strips cut from the remaining LIGHT fabric. For 3/8"-wide (finished) double-fold binding, cut 2-1/2"-wide strips.

The house block pattern is **Spirit Houses** from *QuiltALASKA! with Judy Hopkins*, published in cooperation with Feathered Star Productions.

Judy would enjoy seeing a snapshot of your finished project! You can e-mail a picture to her at judy.hopkins@yahoo.com
