General Rules and Regulations

1. All quilt entries must be completely finished, clean and in good condition. Please fill out an entry form for any item you plan to enter, even if the project is not completed by the deadline for the form.
2. All quilts, 48 inches wide or larger, must have a sleeve on the back so the quilt can be safely hung in the show. The sleeve must be at least 6 inches in diameter and should be sewn, not pinned, to the quilt.
3. Complete one (1) entry form (top original and 2 carbon copies) for EACH quilt or clothing item to be displayed. If your quilt was quilted by anyone different from yourself, provide the name of the quilter. If your quilt is part of a group or class and you'd like them hung together please be sure all the entries in the group or class use the same group or class name on the entry form. If you used someone's design, please note that person's name on the entry form.
4. Attach the yellow copy of the completed form to the back of the quilt at the lower right hand corner or on the back of the clothing article. Please use SAFETY PINS as straight pins may damage your entry and injure our workers.

The person picking up the quilts/items **MUST HAVE THE PINK COPY** of the entry form before the quilt will be released to him/her.
