

Quilt as you go for quilts assembled by the row

I will have some charity quilt kits batting if you would like to make a charity quilt. We will have some batting available for charity quilts only. If you are making something personal you will need to bring your own batting. I will also have a couple of quilts tops and backing that are partially assembled (rows completed and ready to QAYG)

Supplies all quilting supplies that you normally bring

Sewing machine

Thread

Scissors/pins – I use flower head pins but it doesn't matter

rotary cutter/mat/rulers

bring prepared rows for the quilt (they should be about 6-7 inches I don't recommend anything larger)

backing and batting.
